

The Preserve at Deerfield HOA

RV/ Trailer/ Equipment Parking Permit

4.19 Vehicle and Equipment Parking and Storage. Vehicles, motorcycles, boats, snowmobiles, trailers, equipment, campers and motor homes may not be parked on the Common Elements, except as determined by written rules of the Executive Board. No disabled vehicle, construction equipment, boat, snowmobile, trailer, equipment, camper or motor homes may be left on a Lot or in a driveway in such a manner as it is visible from the access road to such Lot, for more than 24 hours without a special temporary permit issued by the Executive Board or its delegee. Long-term storage for any such vehicles and equipment shall be in enclosed structures, the design and construction of which shall have been approved in accordance with Article 16 hereof.
